Good morning, I am interested in finding out what we are doing about the RV's that have been forced out of Woodman and Lassen. I know have 4-5 RV's on Chatsworth? We don't want these monstrosities on our street. They are filthy. They are unsafe, It makes it almost Impossible to pull out of our driveway because they block traffic and you can't see. They make the neighborhood look awful. I am just waiting for things to start getting stolen? Our neighborhood is not what it was like when I moved in. We have the homeless that have shopping carts all stacked by Del Taco? We have street vendors everywhere? My question about street vendor, Where do they wash their hands? I know my neighbors feel the same way that I feel. Something needs to be done.
